

Eating Disorders

Myths, facts and the benefits of early intervention
in disordered eating

WEDNESDAY, NOVEMBER 10th

7:00 – 8:00 PM via Zoom

Dr. Lacey Lemke

Dr. Melissa Lukse

Asiyah Roman

Christina Fitzgerald

Join our multidisciplinary panel of experts from AMITA's Center for Eating Disorders and Fitzgerald Nutrition for a presentation on eating disorders, risk factors and how to support loved ones who struggle.

A panel discussion will follow - bring your questions on body image, diet culture, how and when to find specialized treatment and how to support healthy relationships with food for ourselves and our children.

Register and submit questions for the panel at
www.bstrongtogether.org
